Cost should never be an obstacle for attending a weekend. Please reach out to your sponsor or the secretariat should you wish to attend a weekend, as many pay it forward to provide scholarships for people to attend a weekend. We also offer a SOGO – Sponsor One Get One to offer more opportunities for people to attend a weekend! If one pilgrim is paid in full, the second one is free! For SOGO, check the box and enter your 'second' name. Whatever your situation, please don't let cost be the reason to not attend a weekend!

The cost to put on a weekend works out to be \$100 per person. This amount covers the entire weekend: transportation to and from the retreat site, all meals and snacks, supplies, and accommodations. All expenses for the weekend are covered. There isn't a need to bring any extra money on the weekend. The \$100 is usually collected at check-in. Should you wish to pay it forward, you can donate through the website or send a check to the treasurer.
